

- 14:50 – 15:00** Functional evaluation (LEP) of small fibers sensory pathways in RLS
(*Andrzej Bogucki*)
- 15:00 – 15:10** Relation between RLS and QoL in patients after stroke and acute coronary symptoms
(*Mariusz Sieminski*)
- 15:10 – 15:20** Periodic leg movements in sleep are associated with intronic variants in the BTBD9 gene in narcoleptic patients
(*David Kemlink*)
- 15:20 – 15:30** Idiopathic RLS in Parkinson's disease – a risk factor or a chance association?
(*Magdalena Boczarska-Jedynak*)
- 15:30 – 15:40** A case of augmentation with methadone?
(*Birgit Frauscher*)
- 15:40 – 15:50** Nocturnal eating and RLS: A proposal for a European Study
(*Federica Provini*)

15:50 – 16:15 - Coffee break -

Treatment Session

Chairs: Diego Garcia-Borreguero, Birgit Högl
(10 minutes presentation, 5 minutes discussion)

- 16:15 – 16:30** Effects of dopamine-agonist treatment on heart rate variability during sleep in RLS
(*Marco Zucconi, Raffaele Ferri*)
- 16:30 – 16:45** Effects of acute dopamine-agonist treatment on sleep architecture and NREM Sleep instability in RLS
(*Marco Zucconi, Raffaele Ferri*)
- 16:45 – 17:00** Treating RLS with i.v. iron-saccharose
(*Lena Leissner*)
- 17:00 – 17:15** Exclusion of placebo responders
(*Diego Garcia-Borreguero, Ralf Kohnen*)
- 17:15– 17:30** New tools to improve diagnosis. Experiences with the RLS phone interview
(*Richard Allen*)
- 17:30 – 17:45** Synopsis, meta-analysis, quality assessment and synthesis of the randomized trials of dopamine agonists in RLS treatment
(*G. Hadjigeorgiou, E. Zintzaras*)
- 17:45 – 18:00** Are the current endpoints valid?
(*Birgit Högl*)

Cooperation with patient support groups: Chairs: Juliane Winkelmann, Karin Stiasny-Kolster

- 18:00 – 18:10** First RLS-Brain-Bank in Germany
(*Habersack*)
- 18:10 – 18:20** Ideas behind EARLS and how EURLSSG and EARLS successfully can work together
(*Sten Sevborn, Joke Jaarsma*)

EURLSSG e.V. Business Meeting:

- 18:30 – 19:30** General Meeting of the EURLSSG (for EURLSSG members only)
- 20:00** **Dinner at the restaurant “Café Eisbach”, Marstallplatz 3**

Saturday, December 12th, 2009, 09:00 – 13:00, auditorium:

Workshop on RLS and Women
(see separate invitation and program)

Sponsored by:

F.Hoffmann-La Roche Ltd., UCB Pharma S.A.
